Smart Devices. Connected living.

WOZART
Inventing Tomorrow

#ExperienceWozart
Many ways to access your home
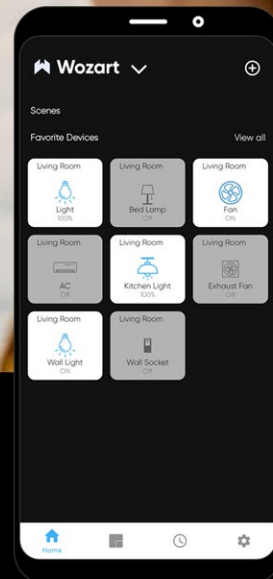

REMOTE ACCESS

Home control
at your fingertips

Control your home from your phone with Wozart app. Turn on or off your home appliances & lights from just about anywhere in the world. Now add, remove and automate your appliances & lights all from one single interface.

#ExperienceWozart

VOICE CONTROL

It's Magic

Say simple voice commands like "Turn off Lights" or "It's Bed time" & watch your home respond. Wozart devices work with your favourite voice assistants; Apple Siri, OK Google, Alexa & Bixby

Ok, turning off lights

Apple Siri

Amazon Alexa

Google Assistant
SCENE CONTROL

Be a celebrated host

Wozart allows you to create scenes that control multiple appliances and lights with a single tap. You can create a scene named "Good Night" that turns off all lights, locks the door and set the AC to the right temperature. Be it a game night or a romantic dinner, craft inviting spaces that set the perfect mood with a single tap.
#ExperienceWozart

Wake to serene mornings

Wake to the natural light as your window shades let in the sun, water getting warm for your shower, music system plays your favourite tune and AC temperature is raised to a pleasant level. With Wozart, your home is on auto-pilot. Attend to more important activities while Wozart takes care of mundane tasks.

#ExperienceWozart

A special connection with your home

Your home can sense when you arrive or leave and prepare itself to your liking. Coming back from work, Wozart detects you approaching the home Via GPS, prepares your home with perfect light & temperature for you to unwind. The garage door opens and the walk-way lights are turned on to help you navigate.

Why Wozart?

Wireless
Wozart works on wireless data communication protocols. With this technology you can add more devices anytime without any changes to your home.

Modular
Be it a single appliance or a complete building automation, Wozart is perfect for you. The solution can be expanded gradually to your growing needs.

Remote Access
With the mobile application & voice assistants, you can control & monitor your home from anywhere, anytime & using any device.

Shared Access
Sharing the joy of smart living is as easy as sending an email. Invite family members & friends to access your home - all from the app.

Compact & Durable
Wozart devices are crafted beautifully by our designers & fit seamlessly to your home architecture. They are built to last.

Safe
Your privacy & data security is of most importance to us. All wireless communication & access to your home is protected using the highest level encryption using TLS protocols & secure cloud platforms.

Easy to Install
Wozart's minimalistic design makes installation hassle free. Without having to change a thing, setting up the Wozart is as easy as it gets.

Plays well with others
Wozart products work with major smart home ecosystems giving you a greater choice. It is a complimentary system and ready to be integrated with other manufacturers hardware & software.

Wozart Products

Wozart Switch Controller

Dimensions	:	58.5x85x20 mm
Wireless Protocol	:	Wi-Fi IEE 802.11b/g/n 2.4 GHz
No.of Controls	:	5
Supported Wattage	:	3 * 250 W & 2 * 1000 W

Wozart Switch Controller Pro

Dimensions	:	58.5x85x20 mm
Wireless Protocol	:	Wi-Fi IEE 802.11b/g/n 2.4 GHz
No.of Controls	:	4 (with Fan speed control)
Supported Wattage	:	3 * 300 W, 1 * 150 W

Wozart Switch Controller Mini

Dimensions	:	47x47x21 mm
Wireless Protocol	:	Wi-Fi IEE 802.11b/g/n 2.4 GHz
No.of Controls	:	2
Supported Wattage	:	2 * 150 W

Wozart Dimmer

Dimensions	:	47x47x21 mm
Wireless Protocol	:	Wi-Fi IEE 802.11b/g/n 2.4 GHz
No.of Controls	:	2 (with dimmable LED)
Supported Wattage	:	2 * 150 W

Wozart Smart Plug

Dimensions	:	76.5 x 50 x 69 mm
Wireless Protocol	:	Wi-Fi IEE 802.11b/g/n 2.4 GHz
Supported Wattage	:	1 * 2400W

Switch Controllers

Wozart Switch Controller devices turn on or off any electrical appliance or circuits.

All switch controllers are Wi-Fi enabled.

Wozart Products

Wozart Motor Controller

Dimensions : 47x47x21 mm
Wireless Protocol : Wi-Fi IEE 802.11b/g/n 2.4 GHz

Motor Controller

Wozart Motor Controller is a Wi-Fi enabled smart device designed to control any AC powered motorized curtain or blinds. The Wozart Motor Controller enables control using app interfaces, voice assistants or a switch connected directly to it.

Wozart LED Orchestrator

Dimensions : 47x47x21 mm
